(**This form is for public use only.** Professionals please contact your Project Manager at 1-801-266-7700. One kit per household).

Instructions:

1. Print this form and complete the information requested below. Fax completed form to 1-801-268-9992 attn: Adrian Gallardo
– or –
2. Email all requested information to methkit@datachem.com

The kit will be mailed within three business days. You will receive an email confirmation that the kit has been sent. Upon receiving the sampling kit there will be a sheet with step by step instructions. If you have questions when sampling you can reach us by calling 1-801-266-7700. When mailing the kit back to DataChem be sure to include a form of payment (check, money order, Visa, MC, or AMEX). For credit card payments you can write your number, expiration date and name as it appears on the card on the Analytical Request Form that arrives with your kit or you can call 1-801-266-7700 and state that you need to make a payment for a meth analysis. Tests will not be run until payment is received. A standard four day turn around time is \$45/sample. A rush turn around of two days is available for \$90. Turn around time begins the first full day after the sample is received. Final reports will be sent to the email address / street address you provide on the Analytical Request Form.
